# IDEAAS-2024

Fostering Sustainable Innovation in Applied Sciences

**INTERNATIONAL CONFERENCE ON INNOVATIVE DISCOVERIES AND  
EMERGING ADVANCEMENTS IN APPLIED SCIENCES - 2024**

**APRIL 18-20, 2024**

**Hybrid Mode (Online & Offline)**

**Organized by ASEAN Academic Network (AAN) in collaboration with  
Rajalakshmi Engineering College, Chennai, India and MAHSA University, Malaysia**

## CALL FOR PAPERS

IDEAAS-2024 invites researchers, academicians, and industry professionals to submit papers on cutting-edge technologies and innovations in applied sciences that contribute to sustainable global development. Join us in fostering interdisciplinary collaboration and sharing groundbreaking ideas.

## FOCUS AREA

The focus areas for IDEAAS 2024 include but are not limited to:

- **Aerospace and Marine Technology**
- **Bioengineering and Health Sciences**
- **Earth and Natural Resources**
- **Infrastructure and Environment**
- **Mechatronics and Automation**
- **Computing and Information Technology**
- **Communication and Electronics**
- **Energy and Sustainability**
- **Mechanical and Manufacturing Engineering**
- **Industrial & Systems Engineering**

For a detailed list of themes and sub-themes, please refer to the theme page @  
<https://www.icideaas.com/themes>

## IMPORTANT DATES

**Full Paper Submission: FEBRUARY 15, 2024**

**Notification of Acceptance: MARCH 01, 2024**

**Early Bird Registration: MARCH 15, 2024**

**Regular Registration: APRIL 10, 2024**

**Revised Paper Submission: APRIL 1, 2024**

## PUBLICATIONS

Selected IDEAAS-2024 papers will be published in Top Quartile SCOPUS indexed journals, spanning various scientific fields. Participants also benefit from special discounts on open access fees. More information is available on the iDEAAS Publications Page <https://www.icideaas.com/publications>
